

FREIGHTING STRING TWO BLOCKS LONG

LIVELY TIMES IN THE WESTERN COPPER CAMP ATTRACT MANY PEOPLE

"Luning has a population of 600 or 700 people, and its numbers are being added to with the arrival of every train. Over 400 miners are employed in the district and the town is as busy as the boomiest days of Tonopah, when the San Antonio desert was darkened by a swirling mass of sand that clouded the sun in daytime and the blaze of innumerable campfires that lighted up the landscape at night."

This was the observation of C. A. Kuhlman, the building contractor, who returned to Tonopah to enjoy the Fourth at his old home.

"Fifteen big teams are engaged hauling ore and the new Cosmopolitan hotel, built by Frank Kettelhut of Tonopah, paid for itself the first three days after opening," explained Mr. Kuhlman. "The house runs day and night. In fact, the owner, at first, couldn't close it if he wanted to because he took possession before any doors or windows were in place. Every bed is running on three shifts. The first day Frank started he told me he cleared \$1000."

"The greatest sight I ever saw occurred Saturday, when a big freight outfit came in from Rawhide with 18 animals attached to 3 trail wagons. The first wagon carried a house 12x15 feet and the other wagons had over 25 tons of all kinds of feed and supplies, including water tanks, woodwork, timber, oil engines, bolts, tables and all the material that could be used in the new camp. I never saw anything like it. Even the old pioneers who have been in the front in every rush in Nevada say the outfit was like nothing they had ever seen. The owner of the outfit has a freighting string already in operation and will add two more ten animal teams."

PIRATES IN TRADE ROBBING ARMIES

SERBS LEFT TO THE MERCY OF THE MONEY CHANGERS OF A GREEK TOWN

(By Associated Press.) CORFU, Greece, July 3.—The "Corfiotes," as the Greeks call the inhabitants of the island of Corfu, are out to make their fortunes during the brief sojourn of the 150,000 Serbs and some 50,000 French, British, Italians and Greeks, strangers to the island. The Corfiotes are of Venetian blood—descendants of a long line of pirates and corsairs—and possessed of a romanticism which enables them instead of merely doubling their prices to put them up ten times—and smile blandly about it.

The Serbs came out of Albania with ragged uniforms and blankets. They had to buy everything anew, and the Corfiote was there to furnish it. The Serbs are well paid (out of the coffers of the entente) and it is impossible for them to send money home to their families even if they want to. Consequently the Corfiote asks whatever price he likes and the Serb, having nothing else to do with the money, generally pays it. The readiest get rich quick operations in Corfu, however, were speculative, not commercial. When the Serbs arrived on the island, a beaten army without a country, what they brought with them in the shape of money was largely Serbian paper currency. The Corfiotes generally would not accept it, but a few wise heads had the real instinct of their trading ancestors and bought the Serbian paper in at 37 centimes the dinar, a depreciation of 63 per cent. When the allies decided to guarantee the reconquest of Serbia and the re-fitting of the Serbian army began in earnest, there was a boom in Serbian paper. Instead of 37 centimes the dinar it brought 90 and finally, for all practical purposes, par. In a few weeks those who had bought at 37 had almost doubled their capital.

THE MARDI GRAS PARADE AND DANCE TOMORROW

This alone promises to be the best that has ever been held in this town. For this special feature the Mardi Gras committee has imported the finest array of fancy costumes, which they are hiring out at a small cost. All those who wish to participate in the prizes should not fail to get their costume from Dr. Morgan-Owen at the Richards building immediately. Arrangements have been made to keep open until 5 o'clock July 4.

If you believe in preparedness install a J-M Fire Extinguisher on your car now. Lundlee Bros.

HIGHEST FLAG STAFF IN STATE

OVER 120 FEET HIGH, ERECTED AT ALTITUDE OF 6200 FEET NEAR MOUNT BUTLER

Bright and early Sunday morning Tonopah gazed toward Butler mountain and saw a sight that gladdened every heart. A large 6x10 American flag floated in the breeze, 120 feet from earth. The flagpole is located on a fifty foot hill near the old public school. Harry Piercy is the proud owner of the landmark and it was due to him, with the assistance of Austin Wardle, the brave steeplejack, and Billy Gomm that the emblem was designated to hold such a high position in Tonopah.

The mast was erected for a wireless service four years ago by George White, of the Telephone company, who equipped the plant during his spare time. After months of hard labor the wireless was put in commission and messages were sent to all large stations within 1000 miles of Tonopah. Radiographs as far away as 3000 miles were received and the owner hoped to install instruments that would make Washington green with envy. However, stronger apparatus was not put in and the station remains the same as it was some four years ago.

This is the highest flag in any Nevada community, as it floats at an altitude of approximately 6300 feet. The highest flag in Nevada this year will float from the summit of Mount Davidson, about 8000 feet above sea level. This flag decorated the top of the national capitol for the past three months and was presented to the people at Virginia City by M. P. McInerney of Washington, D. C., an old hot water plug.

On top of Mount Oddie, overlooking Tonopah, a steel flagstaff carries a flag that is visible to the surrounding country for a distance of 20 miles.

KILLS HIMSELF ON GRAVE OF HIS WIFE

VICTOR BONEY PUTS TWO SHOTS IN OWN BRAIN AT ST. THOMAS' CEMETERY, IN RENO

With two bullet holes through the brain the dead body of Victor E. Boney, one of Reno's best known residents, was found lying across the grave of his first wife in St. Thomas' cemetery.

There were marks on the grave to indicate that Boney had been sitting there for some time. Tightly clenched in his left hand was a handkerchief, suggesting that there had been bursts of grief before the fatal shots were fired.

Boney resided in Reno for many years. For several years he conducted a blacksmith shop on West Fourth street.—Reno Gazette.

SEARCHLIGHT WILL PLAY ON THE STARRY BANNER

Lundlee Brothers have erected a flagpole over their store at the corner of Everett street from which a silken banner will wave during the celebration. Tonight and tomorrow a 500 candlepower searchlight will play on the flag, making one of the most brilliant spectacles in the district.

JITNEY DANCE TUESDAY NIGHT

Tomorrow evening beginning at 9 o'clock there will be a dance given at Miners Exchange hall. A five piece orchestra will be in attendance.

The J-M Fire Extinguisher has two methods of operation: By pumping while discharging; or by pumping up compressed air with the nozzle closed and then discharging. In the latter method of operation it is not necessary to pump while the stream is in play. This feature is invaluable when fighting fires in cramped quarters, where every bit of available room is taken up by the person attacking the blaze. Lundlee Bros. it

PROPRIETOR

CABARET OPENS THIS EVENING

DELIGHTFUL ADDITION TO THE ATTRACTIONS OF TONOPAH BY RIGHT CAFE

At last the cabaret fever has struck Tonopah with an attractive program presented by cultured entertainers who will give the latest melodies of the day, including operatic selections. The Right Cafe is under the management of H. G. Hanawalt, who is known as one of the best chefs on the coast and who has followed the catering business for the past fifteen years. The cabaret will be conducted in the new second story addition to the cafe, just completed. The direct entrance is from St. Patrick street, but a stairway from the restaurant affords ingress and exit through to Main street.

The cabaret is spacious and well ventilated, covering an area of 27½ by 80 feet, with polished maple flooring. Tables are ranged along the sides, hinged to the paneled hardwood walls that they can be dropped whenever a banquet calls for the full space of the dining room. This evening the doors will swing open at 6 o'clock, when the patrons will be favored with a choice repertoire rendered by Miss Eva Wilson, formerly of Jules' Cafe, San Francisco, who will be accompanied on a new Conway piano furnished by W. O. Dresser. In the cabaret a specialty will be made of quick service through the medium of a double elevator, one employed exclusively for removing the dishes and the other for raising orders from the grill downstairs. Everything is new, including the glassware, silver and dishes.

The cafe will be conducted strictly as a family resort and no intoxicated person will be admitted. The cabaret occupies the full space without any boxes or other objectionable features. No alcoholic liquors will be served minors under any circumstances. The management of the Right Cafe are to be congratulated on this addition to the social life of Tonopah, as it serves to fill a void which has been the subject of much comment.

APPLICATION FOR THE NORMAL

The school trustees have approved the application for a normal school in Tonopah and have forwarded a resolution to that effect to the county commissioners, who, in turn, will send it to the superintendent of public instruction. The trustees also agreed to furnish a room in the old high school for the class.

EMPLOYEES ARE GUESTS OF BRIDE AND GROOM

Covers were laid for seventeen last night at a dinner at the Mizpah hotel given by Mr. and Mrs. J. M. Gilfoyle to the employees of the Lothrop-Davis company, of which Mr. Gilfoyle is manager. The table decorations were lilies of the valley and white and pale pink carnations, with graceful asparagus and ferns. A corsage bouquet for each lady and a boutonniere for gentlemen marked the places. Mrs. Gilfoyle, the former Miss Anita Degan, who was a June bride, was elaborately gowned in the newest shade of blue Georgette crepe and velvet trimmed in Italian cut work and embroidered in silver thread. Her hat was a French black and white of the picture variety, which was most becoming. The affair was delightful and given as a mark of distinction by Mr. and Mrs. Gilfoyle's delightful hospitality. The guests included the Messrs. and Mesdames Hasman, Henderson, Parker Davis, Johnson, Thompson, Farris and Mr. Clayton Seibert.

Owners of automobiles must keep off Main street after 9 o'clock tomorrow morning so a clear field may be left for the parade and remove all cause for anxiety for the kiddies, who will overrun everything. Autos may be parked single file, lengthwise, close to the curb after the parade and during the exercises, but they must remain in their place until after the close of the musical features at the grand stand at Brougher avenue and Main street. For the rest of the day and evening drivers of autos are urged to, as far as possible, refrain from traveling on Main street, as that will be the public playground and the committees wish to avoid every chance of danger.

WORLD'S WEALTHIEST WOMAN DIES

(Continued from page 1)

William Jennings Bryan, when in congress arguing in favor of an income tax, said:

"Hetty Green enjoys an income which can scarcely be less than \$3,000,000 a year, yet she lives at a cheap boarding house and spends only a few hundred dollars. This woman, under your indirect system of taxation, does not pay as much towards the support of the federal government as a laboring man whose income of \$500 is spent upon his family."

Goddess of Liberty Contest

Miss Helene Dugan, the popular young lady, won the great Goddess of Liberty contest by a large majority when the final vote was counted in the offices of J. Grant Crumley Saturday night.

Miss Dugan is of medium height and has brown hair and blue eyes and possesses all the necessary attributes for the high honor bestowed upon her. She has selected Miss Zeta Kerns to act as her maid of honor, while her other attendants will be the three contestants standing nearest her in the contest, who were Miss Thelma Scott, Miss Elizabeth Merver and Miss Nellie Holland.

The Goddess and her attendants will be beautifully gowned in specially prepared Grecian costumes of white net, while the float in which they will appear in the parade will be a thing of beauty. The final standings were as follows: Miss Helene Dugan, 28,750; Miss Thelma Scott, \$140; Miss Elizabeth Merver, 5325; Miss Nellie Holland, 4225; Miss Madeleine Wilson, 3650; Miss Ruth Kelly, 3630.

FREE COOKIES AND FLAGS

There will be free cookies and free flags given out to all children at the former Wood-Sullivan store tomorrow, so long as the supply lasts. Every boy and girl should call and be the guest of the committee.

200 BOYS WANTED FOR BIG PARADE

BIG BROTHERS TRYING TO MAKE LITTLE FELLOWS ENJOY DAY BY ENTERING PARADE

If you are a boy or have a boy, wake up early tomorrow morning and find out what the Elks are going to do for the many youngsters of the camp. Over 200 costumes have been procured and boys are wanted to wear them. First come first served, but only those in uniforms will be permitted in the parade accompanied by the Big Brothers who wear the badge of the B. P. O. E. There is no age limit. So long as one is old enough to wear trousers he will be welcomed at the Elks Home, if he is there by 9 o'clock in the morning. Lowell Daniels, the secretary, or Bill Evans, the accommodating chief of police, will be on hand to look after the costuming.

WARNING TO AUTOISTS FOR JULY FOURTH

Owners of automobiles must keep off Main street after 9 o'clock tomorrow morning so a clear field may be left for the parade and remove all cause for anxiety for the kiddies, who will overrun everything. Autos may be parked single file, lengthwise, close to the curb after the parade and during the exercises, but they must remain in their place until after the close of the musical features at the grand stand at Brougher avenue and Main street. For the rest of the day and evening drivers of autos are urged to, as far as possible, refrain from traveling on Main street, as that will be the public playground and the committees wish to avoid every chance of danger.

IRISH QUESTION SOLVED ALONG AGREEABLE LINES

(By Associated Press.) DUBLIN, July 3.—The national directory of the United States league met with John Redmond, acting as president, and agreed to accept the proposal made by David Lloyd George for a solution of the Irish question.

PERSONAL

MRS. G. PORTER motored over to Goldfield yesterday afternoon.

W. J. LEWIS and wife arrived from Hawthorne on No. 24 yesterday. PERCY POLLOCK returned last evening from a business trip to San Francisco.

"HAPPY" JACK BARRIE arrived yesterday from Lone to spend the Fourth in his old home.

A. G. TAYLOR came in from Belmont early last night to spend several days in this camp.

H. F. LORIGAN was an arrival yesterday from Twin Springs and went out today on No. 23 for San Francisco.

J. C. TOGNONI, prominent rancher of Duckwater, arrived Sunday afternoon from Duckwater and left this morning for Reno.

S. P. SANTOS, accompanied by his niece, Miss Theresa Conroy, arrived from Belmont yesterday to enjoy the Fourth in Tonopah.

ALFRED BOYLE was a passenger for Goldfield this morning, where he will spend the Fourth with Ewing Folsom and family.

MRS. H. SPEARS and children, accompanied by Loretta Walsh, left today by auto for a two weeks' fishing trip on Reese river.

MISS E. ROWENE LACQUE arrived from Hollister this morning on a two weeks' visit to her sister, Mrs. H. D. Budelman.

BING HUDGENS, son of Mrs. A. L. Hudgens, left yesterday morning for Verdi, where he will spend the vacation with his uncle.

ROBERT STEWART, the mayor of Sodaville, left for Reno Saturday morning, accompanied by Phil. Olson. "Bob" is feeling much better than he has for some time.

EDWARD A. MEAD, manager of the Cash Boy, accompanied by Superintendent Dooley, were passengers Sunday on the auto stage for Goldfield.

A. D. PARKER, president of the Goldfield Florence Mining company, passed through this morning from Denver accompanied by his secretary, Mr. Arscott.

FRANK M. JENIFER, traffic manager of the Tonopah & Tidewater Railway company, accompanied by Mrs. Jenifer, arrived this morning from Los Angeles. They will visit Lake Tahoe before returning.

MR. and MRS. JOHN G. KIRCHEN, Mr. and Mrs. Arthur Rayercraft, Mrs. J. W. Clark and Charles J. Blumenthal composed a party that motored over to Manhattan yesterday on a visit to the White Caps.

MRS. E. E. HOUSEN and daughter arrived from the east on this morning's train and departed on the Berg auto for Round Mountain, where Mr. Housen is engaged as machinist in the Round Mountain Mining company's mill.

MR. and MRS. W. A. PARKER will leave Tuesday morning for San Francisco. They will then go by steamer to San Diego. Before returning north Mr. and Mrs. Parker will visit Los Angeles and other southern points. Mr. Parker will return in about a month, while Mrs. Parker will visit her parents in Wilcox, Cal., and then go to Santa Barbara to spend the summer.

MOTORED FROM THE COAST

R. S. Davidson, formerly of the Tonopah Fire department, accompanied by Ralph Erick, motored in this afternoon from San Francisco in their new racer, which they built themselves. The car is capable of making 72 miles an hour. The party is intending to spend the Fourth in Tonopah and the travel via Midland trail to New York.
